About Me

Hello, I'm Kurt Andrei Arata, an IT student at Araullo University. I am passionate about programming, designing, and developing unique websites and software. What I love most about IT is its ability to help people solve problems efficiently and how rapidly it has evolved over the years.

Education

Senior High School

2021-2023

General Academic Strand at Araullo
University

2023 - Present Information

Technology

Bachelor of Science in Information
Technology at Araullo University

Projects
